**I. Statement of Reasons for Allowance:**

The following is an examiner's statement of reasons for allowance:

The prior art cited herein fails to disclose

Regarding claim 1, the prior art cited herein fails to disclose an integrated radio tower light controller and alarm reporting device comprising a current sensing module monitoring AC current distributed to one or more beacons and one or more lights, the module reporting one or more alarm modes associated with the beacons and lights via one or more alarm units, a flasher module flashing the beacons at a predetermined flash rate and reporting one or more of the alarm modes via the alarm units if any of the beacons fail to flash at the predetermined rate, a first mechanical relay and a second mechanical relay.

Regarding claim 7, the prior art cited herein fails to disclose an integrated radio tower light controller and alarm reporting device comprising one or more alarm units, a solid-state flasher module for powering and flashing one or more beacons of a radio tower at a predetermined flash rate, a solid state current sensing device, and at least three solid state current sensing device for monitoring AC current in A beacon, B beacon, and sidelights and upon sensing failure in the monitored AC current, activating the alarm units.

Regarding claim 13, the prior art cited herein fails to disclose a method for replacing a pre-existing radio tower light controller with an integrated tower light controller and alarm reporting device comprising replacing electromechanical flasher module with a solid state flasher module for powering and flashing one or more beacons

Art Unit: 2636

of a radio tower at a predetermined flash rate, replacing a current sensing modules with a solid-state current sensing device, and installing at least three solid-state current sensing device for monitoring AC current in A beacon, B beacon and sidelights, and upon sensing failure in the current activating the alarm units.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

## **II. Examiner's Amendment:**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CAR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

### **Examiner's Amendment**

#### **In the claims:**

In claim 1, line 12, the phrase "said one or more alarm units" has been changed to - - said one or more alarm units ---.
